**FOR IMMEDIATE RELEASE**

**TEXTUBE CORP. HIRES VICE PRESIDENT OF SALES & MARKETING**

GREER, S.C. (March 5, 2002) – Textube Corp. hired Scott Schwarz as vice president of sales & marketing. Schwarz is responsible for all sales and marketing initiatives for Textube’s textile products and Creform Materials Handling System.

Schwarz previously held marketing positions with FieldcrestCannon, Santens Of America, Sheriden Australia, Veratex and Whisper Soft Mills. He is a member of numerous industry organizations including the American Textile Machinery Association and the Southern Textile Association.

Schwarz earned a Bachelor of Science degree from the University of Bridgeport, Bridgeport, Connecticut.

Textube Corporation manufactures a full line of yarn carriers for roving, spinning (ring, open-end, friction and air-jet), twisting, doubling, winding, warping, knitting, etc. Textube also manufactures the Creform Modular Materials Handling System, which allows users to custom design and build very specific material handling solutions. Examples include carts, work stations and flow racks. For additional information, please visit [www.textube.com](http://www.textube.com).

Textube was founded in Stamford, CT. in 1955. In 1968 sales and product inventory were relocated to Greer, S.C. In 1991 Yazaki Industrial Chemical Co. Ltd, Shizuoka, Japan, acquired Textube.
